13. PARISHIONERS' QUESTIONS	<ul style="list-style-type: none"> • Kent Barker, on behalf of Benenden Village Trust, advised that following complaints received about use of the Village Hall car park during the St Ronans School carol service, Trustees had agreed that hirers of the Hall could legitimately stop others using the main hall car park. The roadside car park would be open to all. Cllr Skeet asked how this might impact on those hiring the football pitch. Cllr Thomas advised that the Parish Council had not been consulted about closure of the Green on the same evening. • Questions were asked about the release of the NDP. Why this could not happen at the same time as presented to Parish Councillors; what the format of the village meeting would take; what would be presented at the village meeting. Cllrs Thomas and Dawlings advised that this is a draft first plan and will be made public on 23rd February. Copies of the plan will be available at the village meeting and on the website on 23rd February. This will start a long consultation process at which point parishioners will be able to comment. Copies of the plan will be distributed to all households at the required time. • It was advised that a parishioner had previously offered to plant cherry trees at Cherryfields, and was agreed to at the time by TWBC, but Cherryfields residents opposed. • The question was asked why individual parish councillor emails are not on the website. It was explained that there have been issues regarding General Data Protection Regulations. The Clerk to follow up. 	<p>CL</p>
