

BENENDEN PARISH FOOD FUND

Do you have a gap in funds caused by the epidemic that prevents you buying the absolute basics? Have you tried family for support and there is none?

We are very pleased to announce the launch of the Benenden Parish Food Fund which has been made possible by significant donations from Benenden's Community Shop and St Georges' Church PCC, alongside individual private donors.

This fund provides help in the form of vouchers to be used in Benenden's Community Shop and the village butcher P Wards & Sons. Or a weekly doorstep delivery of a fruit, veg & essentials box.

Be assured that any approach will be treated with 100% confidentiality. Please contact one of the following:
