

# Collecting a Prescription for someone else?

## Help us to help you...

At this time of unprecedented demand, we know that you might be helping out friends, relatives or neighbours by collecting their prescription.

Here are a few simple tips to help you:

-  **Go to the right pharmacy.**
-  **Know the name and address of the person you are collecting for.**
-  **If you know what medicine you are expecting it might save the pharmacy team time.**
-  **If the patient is between 16-60 ask if they pay for their prescriptions (£9.15 per prescription item from 1st April).**
-  **If the patient doesn't pay, know which 'exemption' applies.**

## Remember:

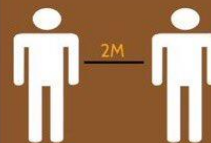

### MONEY

If the patient pays for their prescription.

### IDENTIFICATION

For some medicines you may be required to show a form of ID

### RESPECT SOCIAL DISTANCING

Please see signs or notices in the pharmacy and respect their rules.

### RESPECT PHARMACY STAFF

Pharmacy staff are under huge pressure - please be patient and polite.
